FAQS

Is the paint safe?

- Yes, I use professional high-quality face paints and cosmetic grade glitter.
- Paint is easily removed with soap and warm water.
- For glitter removal, use baby oil, wiping away from eyes.
- To avoid possible skin irritation, I highly recommend removing face paint and glitter before going to sleep!

- For the health and safety of event guests and Face painter, I will not be able to paint anyone who is sick including pink eye, chicken pox or lice.
- Pre-Painted masks are available for \$8.00 for those who are ill or unwilling but still want to join in the fun.
- Open cuts or wounds will not be painted over to avoid further infection or contamination.

Is there anything you won't paint?

- Bad words or offensive images will not be painted on anyone for any reason.
- I'm happy to paint designs on faces, hands, arms or ankles as desired.
- As Face Painting is family friendly entertainment, painting of inappropriate body parts or similar requests will be refused.
